### **Holiday Retirement Acquires Corvallis Senior Community**

**(LAKE OSWEGO, Ore. – June 29, 2012)** — Oregon-based [Holiday Retirement](http://www.holidaytouch.com) (www.holidaytouch.com), the largest provider of independent senior retirement living in the United States, today announced the acquisition of The Regent, a Corvallis retirement community that has served area seniors since 1980.

The Regent is located at 440 NW Elks Dr., directly across from Good Samaritan Regional Medical Center, and has 84 private apartments designed for seniors. The community also features a fitness center, on-site beauty salon and barber shop, library, a billiards and activity room, and more.

Holiday Retirement, founded in 1971 and currently headquartered in Lake Oswego, Oregon, is the nation's largest provider of independent retirement living with more than 300 communities throughout the U.S. and Canada.

Operating under the Holiday Retirement model, The Regent will provide residents with three chef-prepared meals daily, two sets of live-in managers available 24/7, complimentary transportation, housekeeping, and a robust schedule of daily activities and events. All services, amenities and most utilities are combined in one all-inclusive month-to-month rent with no buy-in fees required.

Residents also gain access to an exclusive travel program, allowing them to stay free of charge in fully-furnished guest suites at nearly all other Holiday Retirement communities.

Holiday Retirement now owns and operates 14 communities in Oregon, including Corvallis' Stoneybrook Lodge, located at 4700 SW Hollyhock Circle.

“Corvallis is a wonderful location for seniors to enjoy an enriching lifestyle,” said Yovan Luyt, Regional Director for Holiday Retirement. “We are very pleased to offer our unique amenities and services to area seniors with now two great locations.”

Independent retirement living is designed for seniors who seek a maintenance-free, enriching and secure lifestyle but do not require around-the-clock assistance or skilled nursing. Outside home health care options are available.
