What sets us apart.

Exceptional Cuisine

We take food very seriously. Our professionally-trained chefs prepare three delicious meals from scratch every day, and a friendly wait staff serves them in a comfortable, restaurant-style dining room.

Pets Warmly Welcomed

We strongly believe in the life-affirming power of pets, and welcome furry companions.

No Buy-In Fees or Long-Term Leases

We know how important a sense of freedom is to our residents, so there's no long-term commitment. We offer convenient short term leases because we want to earn your business and your trust every day.

Flexibility

While Holiday Retirement does not provide or coordinate home care, residents are welcome to hire their own third-party home care services to meet any additional needs.

A True Sense of Community

There's a special feeling of kinship at a Holiday community that you won't experience anywhere else. It's a combination of joyful neighbors embracing life, friendly staff who go out of their way to make each day great, and a comfortable environment that makes you feel this is right where you belong.

There are many lifestyle and care options for seniors today.
Use this guide to help you find the right one.
