More than 80 Holiday Retirement Communities Honored by SeniorAdvisor.com
Annual 'Best of Senior Living' Awards recognize outstanding senior living providers

LAKE OSWEGO, Ore. (December 8, 2015) — [Holiday Retirement](#), a leading manager of senior living communities across the U.S., earned recognition for 83 of its communities this week in the annual 'Best of Senior Living' Awards presented by SeniorAdvisor.com, the largest ratings and reviews site for senior care and services in North America.

“To see more than 80 of our Holiday Retirement communities on this list of the top one percent confirms that we have a powerful network of compassionate team members spanning our locations nationwide,” said Kai Hsiao, president and CEO at Holiday Retirement. “Holiday associates provide an unparalleled level of value to our residents and their families, day in and day out. They routinely go above and beyond—thinking ahead and anticipating residents’ needs.”

SeniorAdvisor.com aims to equip families with the best information available to help consumers make confident senior care choices. The company is focused on improving the way people find senior care through sharing verified consumer reviews and ratings. Now in their third year, the annual SeniorAdvisor.com 'Best of Senior Living' Awards recognize outstanding senior living and home care providers who have received consistently high ratings from residents and their families. The award places winners in the top one percent of senior care providers nationwide. Many Holiday Retirement communities have earned top marks for three years running—since the inception of this award program.

“These award-winning providers are raising the bar in the senior care industry, and families are noticing,” said Eric Seifert, president of SeniorAdvisor.com. “Seniors and their loved ones are writing more online reviews than ever before. This year alone, we saw a 36 percent increase in the average number of reviews each winner has. It’s because of the amazing work these organizations and their staff perform, and the increasing volume of the consumer online voice, that we were able to expand our awards program this year to over 1,000 winners. We’re honored to highlight these providers, and we’re especially excited this year to see more nursing homes and home care providers embracing online reviews.”
